

## CSU-UC Comparison of Eligibility Requirements for 2010-11 Freshman Admission

	<b>California State University (CSU)</b>	<b>University of California (UC)</b>
<b>HIGH SCHOOL GPA</b>		
	Calculate GPA using only “a-g” approved courses taken <i>after</i> the 9 <sup>th</sup> grade. All “a-g” courses and grades must be reported.	
<b>SUBJECT REQUIREMENTS</b>		
	15 yearlong college preparatory courses from approved “a-g” list are required:	
<b>“a”   History/Social Science</b>	2 years of history/social science, including one year of U.S. history OR one semester of U.S. history and one semester of American government, AND...	
	1 year of history/social science from either the “a” or “g” subject area	1 year of world history, cultures, and geography from the “a” subject area
<b>“b”   English</b>	4 years of English (including no more than one year of Advanced ESL/ELD courses)	
<b>“c”   Mathematics</b>	3 years of math (algebra I and II, geometry); 4 years recommended	
<b>“d”   Laboratory Science</b>	2 years of laboratory science, including at least two of the three foundational subjects of biology, chemistry, and physics	
	At least 1 year of physical science and 1 year of biological science, one from the “d” subject area and the other from the “d” or “g” area *	Both courses must be from the “d” subject area: 3 years recommended
<b>“e”   Language Other Than English</b>	2 years of language other than English (must be the same language)	
		3 years recommended
<b>“f”   Visual and Performing Arts</b>	1 yearlong course in visual and performing arts (selected from dance, music, theatre/drama and visual arts)	
<b>“g”   College Preparatory Elective</b>	1 year of an elective chosen from any area on approved “a-g” course list	
	(Numerous career technical courses are approved for fulfillment of “a-g” subject requirements.)	
<b>HONORS POINTS</b>		
	Maximum of 8 extra grade points awarded for approved honors, AP, or IB courses and transferable community college courses. No more than two yearlong courses taken in 10 <sup>th</sup> grade can earn honors points.	

*\* It is best to prepare for both the UC and the CSU by completing two laboratory courses from the “d” subject area.*

	<b>California State University (CSU)</b>	<b>University of California (UC)</b>
<b>TEST SCORES – ACT/SAT</b>		
	<b>ACT or SAT is required*</b>	
	<p>CSU combines best critical reading and math scores from multiple sittings of SAT; may combine best subscores from multiple ACT tests to calculate a best composite.</p> <p>*Test required for CSU applicants, to non-impacted campuses, who have earned an "a-g" GPA of less than 3.0.</p>	<p>UC uses the highest combined score from a single sitting of the ACT Assessment plus Writing or the SAT Reasoning Test. Also required are two SAT Subject Tests in two different subject areas: history, literature, mathematics (level 2 only), science or language other than English. Note: UC will no longer require Subject Tests effective for fall 2012 freshman applicants.</p>
<b>VALIDATION OF SUBJECT REQUIREMENTS BY OTHER COURSES</b>		
<b>Mathematics</b>	<p>A grade of C or better in the second semester of a yearlong algebra course validates a D in the first semester. A grade of C or better in Algebra II validates Algebra I. A grade of C or better in trigonometry or pre-calculus validates the entire high school college preparatory requirement. A grade of C or better in statistics will validate only Algebra I and Algebra II, not geometry.</p>	
<b>Language Other than English (LOTE)</b>	<p>A grade of C or better in a higher-level course validates a lower-level course. A higher-level LOTE course can validate the appropriate number of years based on the level. A college course can validate a high school LOTE course. The level of validation depends on the college course prerequisite and description.</p>	
<b>Chemistry</b>	<p>The CSU will continue to permit the second semester of chemistry and validate the first semester.</p>	<p>A grade of C or better in the second semester of chemistry WILL NO LONGER VALIDATE a D in the first semester.</p>
<b>VALIDATION OF D GRADES IN REQUIRED COURSES</b>		
	<p>Required "a-g" courses must be completed with a grade of C or better. Courses in which grades of D are earned must be repeated, EXCEPT in the areas of math and language other than English, where grades of D can be validated by successful completion of higher-level coursework.</p>	
<b>VALIDATION OF SUBJECT REQUIREMENTS BY TEST SCORES</b>		
	<p>Subject omissions may be satisfied with appropriate test scores on SAT Subject Tests, Advanced Placement exams, and designated International Baccalaureate exams. A list of acceptable tests and scores is available on the UC and CSU websites.</p>	
<b>REPEATED COURSES</b>		
	<p>The best grade will be used in the GPA calculation.</p>	
		<p>A course not completed with a grade of C or better can be repeated only once.</p>
