

MATH DEPARTMENT

HONORS ALGEBRA II

Teacher: Ms. Cholko

Grade/s: 9th -12th

Length: 2 Semesters

UC/CSU Approved: YES

Recommended Prerequisite: A or B in Geometry and Algebra I.

Summer Assignment Information for 2024-2025 school year:

- Google classroom access code: kblrohx
 - Google classroom access is only through a student's @lachs.net email account.
 - If you are new to LACHSA or unable to log into your LACHSA google account please email our Admissions Coordinator, Ms. Cain at Cain_Felicia@laco.edu for assistance. Once you have your google account you can join the google class.
 - You will find the summer assignment work in the google classroom.
- Notes package:
 - Available for pick up at LACHSA weekdays between 9:00a – 2:00p in the main office. Email Felicia Cain for google classroom access: cain_felicia@laco.edu
 - Ms. Cain will issue @lachs.net email account for student.
- Email Mr. Abruzzo for IXL access: abruzzo_nick@laco.edu
 - Mr. Abruzzo will assist with IXL platform access.

A message from Ms. Cholko:

I am extremely excited to support you this summer and have set up a google class that will have all the information you will need to get off to a strong start. Please sign into the google class by June 14th and review the "Info" assignments including a short video (12 min) on what you will need to do over the summer to prepare for next fall.

The goal of the summer work is to review the content that you have already learned in Algebra I via some video note lessons and some practice in our online system IXL. You will also have some diagnostic problems to work on and that is explained in the summer google class as the expectation is that you work this summer to remediate and math areas that are not at the 10th grade level to ensure you are set up for success next year.

To accompany your summer work you will want to make sure you have the Unit 1-8 notes book. This was distributed to students this past week at LACHSA. New students can come by the office and connect with Mr. Abruzzo to pick up a copy or you can print a copy from the PDF on the google class (Info #5 Assignment on the google class). This completed packet will be due the first day of school.

To join the google class log into your google account, click the waffle on the top right, click classroom and then join: kblroh.

If you are new to LACHSA or unable to log into your LACHSA google account please email our Admissions Coordinator, Ms. Cain at Cain_Felicia@laco.edu for assistance. Once you have your google account you will join the google class.

If you are new to LACHSA or unable to access your IXL account please email Mr. Abruzzo, our Assistant Principal, at Abruzzo_Nick@laco.edu.

Have a wonderful summer and be sure to stay onto of the prep work. It should average out to 2-3 hours per week if you chip away at it little by little.
